Great! I look forward to meeting him. One of the topics of discussion will be tribal consultation on the proposed remedy. We anticipate this occurring next year, but will not be scheduling it until January 2015 to make sure we are still on track. So, any thoughts or ideas on consultation that the tribe would like to convey would be most welcome.

Kristine,
Thanks for the notice! So you are aware, the Confederated Tribes of the Umatilla Indian Reservation will be represented by Gabriel Moses, contract attorney for the Tribe, at the meeting next week. If you have any questions or comments about this, please let me know. Thanks again.
Matt

JD and Matt – It seems that you both were not sent the original email invitation. Sorry about that and we hope that you or another tribal representative will be able to attend the meeting.

Dear Tribal partners,

EPA invites you to attend a meeting with Dennis McLerran, Regional Administrator of EPA, and Jim Woolford, Director, Office of Superfund Remediation and Technology Innovation (OSRTI) to discuss the Portland Harbor Superfund site on Tuesday, May 13 from 1:30 pm – 2:15 pm. As you recall, Mr. McLerran and Mr. Woolford have committed to meet with our Tribal partners on the same schedule as their meetings with the Lower Willamette Group Executives. The meeting will be held at the EPA Oregon Office (Fox Tower), 805 SW Broadway Street, Suite 500, Portland Oregon, 97205.

Draft meeting agenda:

- Project status update
- Debrief from Executives' meeting
- Tribal consultation
- Key issues or concerns

Please let me know if you have additional agenda items, and if you or another Tribal representative will be able to attend by May 8th. You are welcome to stay for the site update meeting with community members directly following the Tribal meeting.

Please feel free to contact Kristine Koch (206-553-6705) or myself (503-326-6831) if you have questions.

Thank you,
Alanna Conley
